

**2017 Teratology Society Breakfast with the Teratology Mentors Program
Student and Postdoctoral Fellow Questionnaire**

Name: _____

Are you a student or a postdoctoral fellow? _____

In order to facilitate pairing with a mentor, please complete the following survey and return it to the Becca Isakower at bisakower@teratology.org no later than May 15, 2017. The Student Affairs Committee will review your responses and work to place you with a mentor that best matches your responses.

1. Please mark "X" in the appropriate box to indicate your interest in the discussion of these topics during the meeting with your expert.

1 = lowest interest, 5 = most interested.

	1	2	3	4	5
Discussion of the advantages/challenges related to education/employment in your area of teratology					
The mentors' opinions regarding what it takes to have a successful career in your area					
What you can do during graduate school to make yourself more attractive to potential employers					

2. Please introduce yourself in 2–3 short sentences (e.g., which school or institution are you from, year in graduate school, research topic, etc.).

3. Briefly discuss what insights you would like to gain from this program.

4. What are your short-term (<3 year) and long-term (10 year) career goals?

5. Provide 1 or 2 questions that you plan to ask the mentors that have not been given here.

6. What field of study are you most interested in learning more about?
Please mark "X" in the appropriate box to indicate your interest in each of these areas.

1 = lowest interest, 5 = most interested.
