Attendance:

The Annual Meeting and Education Courses will take place in-person and will include a curated virtual experience to make remote participation possible in the event a registrant cannot attend in person. Meeting and course registration fees are the same for in-person or remote participation. Mode of attendance (in person or remote) may be changed up until May 15. Undecided attendees will be required to confirm mode of attendance (in person or remote) by May 15.

Mode of Attendance: In Person Remote Undecided

* Payment of the full Nonmember registration fee includes 2022 membership dues if a Regular or Associate membership application is received by July 31. Apply for membership online at www.birthdefectsresearch.org.

** Sister Society rates are for individuals who are not members of BDRP but are members of the following sister societies: European Teratology Society (ETS), Developmental Neurotoxicology Society (DNTS), National Birth Defects Prevention Network (NBDPN), and Organization of Teratology Information Specialists (OTIS).
